**\*\*\*CALIFORNIA CONSUMER PRIVACY ACT -- NOTICE AT COLLECTION**

In this notice, we are addressing specific disclosure requirements under the California Consumer Privacy Act (CCPA) (Cal. Civ. Code § 1798.100, et seq.), and the California Consumer Privacy Act Regulations (CCPA Regulations) (11 CCR § 7000, et seq.) for California residents even though the CCPA and the CCPA Regulations do not currently apply to us. Although PopID does not currently meet the definition of a “business” as defined in the CCPA (Civil Code § 1798.140(d)), and is therefore a “nonbusiness,” as defined in 11 CCR § 7001(p), PopID endeavors to implement best practices, including those provided in the CCPA and the CCPA Regulations.

This notice should be read together with PopID’s Privacy Policy and applies to all California residents who visit our Sites or use the Service. Capitalized terms have the meaning given in the Privacy Policy. Terms in ALL CAPS have the meanings given to them in the CCPA, including Cal. Civil Code § 1798.140, and the CCPA Regulations, including 11 Cal. Code Reg. § 7001.

All references in this notice regarding rights you may have under the CCPA and CCPA Regulations will only apply to California residents if and when we meet the definition of BUSINESS as defined in the CCPA (Civil Code § 1798.140(d).) Until that point in time, however, we will use commercially reasonable efforts to provide the rights described in this notice, but are not legally obligated to do so.

**Personal Information Collection and Purposes of Use**

We COLLECT and USE PERSONAL INFORMATION, including Biometric Information, regarding California residents, including Biometric Information, as described in this notice (pages 12-25) and the above Privacy Policy, including the section titled “**THE INFORMATION WE COLLECT**” (page 2). Biometric Information that we COLLECT and USE from California residents constitutes SENSITIVE PERSONAL INFORMATION as that term is defined in California Civil Code section 1798.140(ae).

One type of “Personal Information” you share with us the details regarding your bank account from your financial institution (“Open Banking Data”) when you enroll your bank account as a Payment Method. When you add your bank account a Payment Method through Plaid (or a similar service we use), you agree to Plaid (or similar entity) establishing a connection between your bank account and us so that we may obtain Open Banking Data regarding your account as long as you maintain that bank account as a Payment Method. We use the Open Banking Data you share with us to make decisions regarding you and your PopID Account, including whether or not to approve transactions you attempt to make, establishing and adjusting limits on your account and transaction, as well as for us to decide, in our sole and absolute discretion, to offer or provide you with interest free, cash flow advances.

### **Sensitive Personal Information Collection and Use**

We collect and use your SENSITIVE PERSONAL INFORMATION, including Biometric Information, only the purposes stated below, and not for the purpose of inferring characteristics about you.

We only use or disclose the SENSITIVE PERSONAL INFORMATION, including Biometric Information, as follows:

- (a) To perform the services or provide the goods reasonably expected by an average consumer who requests those goods or services;
- (b) To prevent, detect, and investigate security incidents that compromise the availability, authenticity, integrity, or confidentiality of stored or transmitted personal information;
- (c) To resist malicious, deceptive, fraudulent, or illegal actions directed at PopID and to prosecute those responsible for those actions.
- (d) To ensure the physical safety of natural persons.
- (e) For short-term, transient use, including, but not limited to, nonpersonalized advertising shown as part of a consumer's current interaction with PopID, and we do not as part of this process (i) use that SENSITIVE PERSONAL INFORMATION to build a profile about you, or (2) disclose this SENSITIVE PERSONAL INFORMATION to another THIRD PARTY.
- (f) To perform services on behalf of PopID.
- (g) To verify or maintain the quality or safety of a product, service, or device that is owned, manufactured, manufactured for, or controlled by PopID, and to improve, upgrade, or enhance the service or device that is owned, manufactured by, manufactured for, or controlled by PopID.
- (h) To collect or process SENSITIVE PERSONAL INFORMATION where the collection or processing is not for the purpose of inferring characteristics about a consumer.

Because our collection and use of your SENSITIVE PERSONAL INFORMATION is already limited to what is allowed following a REQUEST TO LIMIT the collection and use of your SENSITIVE PERSONAL INFORMATION (i.e. what is permitted by California Civil Code section 1798.121(a), and CCPA Regulations section 7027(m)), you do not have a right to request to limit our collection and use of your SENSITIVE PERSONAL INFORMATION.

Civ. Code § 1798.140(ah).

Because our collection and use of your SENSITIVE PERSONAL INFORMATION is already limited to what is allowed following a REQUEST TO LIMIT the collection and use of your SENSITIVE PERSONAL INFORMATION (i.e. what is permitted by California Civil Code section 1798.121(a), and CCPA Regulations section 7027(m)), you do not have a right to request to limit our collection and use of your SENSITIVE PERSONAL INFORMATION.
